

University of Wisconsin-Madison

2019 Institute

April 15 & 16, 2019
The Madison Concourse Hotel
Madison, Wisconsin

The MSAN Institute is a two day, intensive professional development opportunity dedicated to growing our understanding of how school districts further equity-focused leadership and advance cultural competence.

Join committed colleagues from across the country as we:

- Share current research and best practices with local and national experts.
- Push our thinking in large and small group discussions with exceptional educators doing this work in real schools and districts.
- Hear from students impacted by these issues.
- Engage in focused district planning sessions and job-alike conversations.

Suggested Audience

Teachers, principals, and district-level administrators (including directors of teaching and learning, facilitators of diversity or equity initiatives, superintendents, and assistant superintendents), parent/family leaders, community partners.

Conference Location

The Madison Concourse Hotel
Madison, Wisconsin

Please visit the MSAN website for information on registration, lodging, transportation, etc.
